

ARTS WEEK 2026

Coffee Latte Art & Coffee Painting

Monday, May 11, 2026, at 9:00 am to 11:00 am
South Tower Healing Garden

Discover the art of coffee painting—where creativity meets aroma. While enjoying a beautifully crafted latte, explore the unique process of painting with coffee as your medium. Using instant or espresso coffee blended with water, participants create rich, sepia-toned artwork reminiscent of watercolor. Artists of all skill levels can blend, layer, and lift tones to produce textured, rustic pieces in a calming, monochromatic palette. No prior experience required—just curiosity and creativity.

Learn sketching and coffee painting techniques from **Sheila Darcey**, a visionary artist and founder of **SketchPoetic** which is a creative expression practice that empowers individuals to express, reflect, and heal. She also authored the book **“Sketch by Sketch – A Creative Path to Emotional Healing & Transformation.”**

Come sip, paint, listen to the music played by **Dr. Ryan Urbanowicz** and leave inspired.

Selected coffee artwork will be proudly showcased during the **Opening Ceremony** and featured in the art exhibit along the hallway of **Harvey Morse Auditorium**.
