

Edible Flower Workshop

Our nutrition expert will cover the flavor profile of different flowers, their nutrition properties, and how to creatively use them in different dishes. There will be a recipe demonstration, samples, and takeaways to use at home.

Facilitated by: Meghan Laszlo MS, RD, CSO

Presented by: Cedars-Sinai Cancer's Wellness, Resilience and Survivorship

When: Thursday May 14, 2026; 4:00pm-5:00pm

Where: 250 North Robertson Blvd. **SUITE 505** Los Angeles, CA 90048

Space is limited to 20 participants.

Scan the QR codes for more information and registration.

You will receive an email confirmation if your registration is approved.
