ARTS WEEK 2026

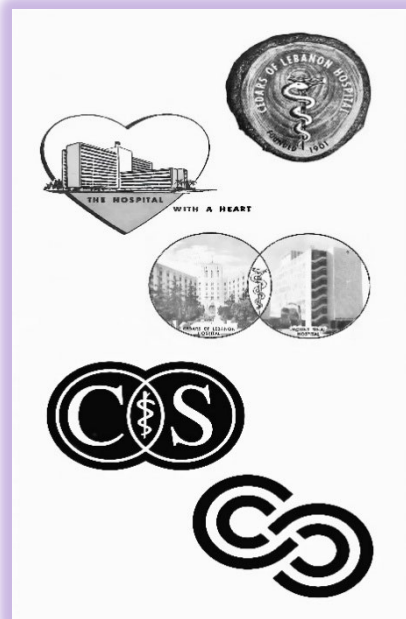

Create, Record & Share CEDARS-SINAI STORIES

Friday, May 15, 2026

11:30 am to 1:00 pm

South Tower Healing Garden

Let the **Work & Life Matters** team help you find relaxation through creative expression. Create a doodle, write a haiku, draw a picture, or write a story while shifting your focus away from daily stressors.

Your story is part of our history. Cedars-Sinai Medical Center recently celebrated its **50th anniversary** in this location. Throughout our history, Cedars-Sinai has been a meaningful part of the Los Angeles community and continues to be woven into the stories of families across Southern California and around the world. Staff and visitors are invited to record their Cedars-Sinai stories to be included in our **Living Archive** with our archivist, Rena Selya.
