

STARLAB EUROPEAN USER CONFERENCE

Berlin, 20 – 22 October 2025

PRELIMINARY AGENDA

Monday, 20 October 2025

Location: Vertretung des Landes Baden-Württemberg beim Bund, Tiergartenstrasse 15, 10785 Berlin, Germany

- | | |
|---------------|---|
| 12:30 - 13:30 | Arrival & Registration |
| 13:30 - 13:50 | Starlab European User Conference Opening Ceremony |
| 13:50 - 14:20 | Astronaut Keynote: From Launch to Landing - Insights from an Astronaut's Perspective |
| 14:20 - 15:00 | Panel Discussion with representatives of ESA, JAXA and European Space Agencies: The Power of International Collaboration in Human Space Exploration |
| 15:00 - 15:30 | Coffee Break |
| 15:30 - 16:15 | Panel Discussion: ISS Success Stories and Lessons Learned for the Next-Generation Commercial Space Stations |
| 16:15 - 16:45 | Starlab - The New Era of Commercial Space Exploration |
| 16:45 - 17:30 | Panel Discussion: Connecting Earth & Orbit - Creating an Ecosystem to Innovate Together |
| 17:30 - 18:00 | Closure of Day 1 |
| 18:00 - 21:00 | Networking Reception |

*Location: Vertretung des Landes Baden-Württemberg beim Bund,
Tiergartenstrasse 15, 10785 Berlin, Germany*

PRELIMINARY AGENDA

Tuesday, 21 October 2025

Location: Vertretung des Landes Baden-Württemberg beim Bund, Tiergartenstrasse 15,
10785 Berlin, Germany

09:00 - 09:10	Welcome Day 2		
09:10 - 09:40	Keynote: ESA Roadmap for Space Exploration		
09:40 - 10:10	The Comprehensive Process of Astronaut Training		
10:10 - 10:30	Next Generation Payload Systems for Microgravity Research and Commercial Utilization		
10:30 - 11:00	Coffee Break		
11:00 - 12:00	Parallel Workshop Sessions:		
	Utilisation & Payload Workshop: Focus Payload	Ready to Fly - Training for a Starlab Astronaut Mission	Beyond Earth: Navigating Investment Opportunities in Human Space Exploration
12:00 - 13:00	Utilisation & Payload Workshop: Focus Operations	Living and Working in Space Workshop	Investing in Starlab: Unlocking the Potential of a Vibrant LEO Economy
13:00 - 14:00	Networking Lunch		
14:00 - 14:20	Feedback from the Workshops		
14:20 - 14:40	Space Law & Data Security in the Commercial Space Era: Evolving Regulations for New Frontiers		
14:40 - 15:40	Industry Segment Lighting Talks		
15:40 - 16:10	Coffee Break		
16:10 - 16:50	From Research to Revenue: Lessons Learned on Commercialisation		
16:50 - 17:30	Scaling up Microgravity: From Applications to Manufacturing		
17:30 - 17:50	The Long-Term Future of Microgravity Research		
17:50 - 18:00	Event Closure		
19:30	Dinner and Keynote Speech		

Location: Café am Neuen See, Lichtensteinallee 2, 10787 Berlin

PRELIMINARY AGENDA

Wednesday, 22 October 2025

Location: Airbus Office Berlin, John F. Kennedy Haus, Rahel-Hirsch-Strasse 10, 10557 Berlin, Germany

09:00 - 09:30 Welcome Coffee

09:30 - 12:00 Parallel Sessions:

Quantum Workshop (by invite only)

Pre-Booking Opportunities (pre-registration required)

This session provides interested companies / institutions with a comprehensive understanding of the process for booking missions on the Starlab Space Station and provides the opportunity to address individual topics and questions regarding pre-booking agreements.

Interested parties are encouraged to register their interest in advance in the conference registration form to secure their spot and ensure personalised attention during the session.

The sessions will be individual sessions of around 30min duration.
