

## **Onboarding Information**

Performing the Director's Notes: Pickle Party x "Living" Stage

As part of the workshop, you will be engaging in activities such as handling fresh produce with a knife and chopping board, and working with pickling agents like vinegar and brine. If you have any food allergies or dietary restrictions, please inform the facilitators in advance, as we are unable to take responsibility for allergen management.

Please also note that the pickling experience may require standing for a period of time.
