Vhat are your goals for the workshop, if any?	Optional Question
	What are your goals for the workshop, if any?
	a. e. j. e. geale .e. a. e

Additional Information

We may be making short puppet/lighting compositions during the workshop. If you have a puppet that is under **900mm tall**, you may be able to use it. Otherwise, we will provide puppets and/or materials for you to make quick/simple puppets to light.

If you have a **favorite battery-powered light source** (torch/flashlight, lantern, mag light, etc.), you are welcome to bring it. However, there is **no need to bring anything unless you want to.**
